

ALSO® PROVIDER COURSE

Advanced Life Support in Obstetrics (ALSO) is an evidence-based, interprofessional, and multidisciplinary training program that equips the entire maternity care team with skills to effectively manage obstetric emergencies. This comprehensive course encourages a standardized team-based approach amongst physicians, residents, nurse midwives, registered nurses and other members of the maternity care team to improve patient safety and positively impact maternal outcomes.

OVERALL COURSE OBJECTIVES

1. Discuss methods of managing pregnancy and birth urgencies and emergencies, which standardizes the skills of practicing maternity care providers.
2. Demonstrate content and skill acquisition as evidenced by successful completion of online course examination, skills workstations, and group testing stations.

CME & CNE INFORMATION

This Live activity, ALSO Provider Course, with a date range of 08/15/2019 - 08/16/2019, has been reviewed and is acceptable for up to 10.75 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The American Academy of Family Physicians is approved as a provider of continuing nursing education by the Kansas State Board of Nursing. The online portion of the course is approved for 12.90 contact hours applicable for APRN, RN, LPN, or LMHT relicensure. Kansas State Board of Nursing Provider Number; LT0278-0312. This is an advanced level course and may not be suitable for all general continuing nursing education.

AAFP Prescribed credit is accepted by the following organizations/physician licensing boards. This acceptance is confirmed each year, though no written agreement exists. Participants should contact these organizations directly to find out how to report credit:

American Academy of Physician Assistants (AAPA)
National Commission on Certification of Physician Assistants (NCCPA)
